Mr. James F. SEARS
Defense Electronics Division
General Electric Company
735 State Street
Santa Barbara, California

Dear Mr. Sears:

Before leaving the city for a well-earned vacation, General Cabell asked me to thank you for your letter of 25 October and for your paper on "Long-Range Planning".

I have read the report with interest and shall certainly pass it along to the appropriate officials here in the Agency.

Thanks again for keeping us in mind.

Sincerely,

WALTER ELDER

Walter Elder
